The sweetest merger of all... Triple chocolate cupcakes can help get a girl through the tough times—especially after Mariah Drayson's dream marriage ends in heartbreak. Now the gifted baker has been handed a once-in-a-lifetime opportunity: running the Seattle branch of her family's legendary Chicago patisserie. The competition is stiff. Until high-end coffee importer Everett Myers comes up with a sinfully tempting proposition.

The finest ingredients. Limited distribution. Everett knows the secrets of success. Joining forces with the alluring pastry chef is making the millionaire widower believe in second chances. And when Mariah unveils her secret weapon—a decadent new dessert—he knows they're a winning team. But the single father can't coast on sugarcoated fantasies. Is Mariah prepared to reveal the secret that could cost her a future with Everett?
